

QUALITATIVE

1. *Can a girl be married and go to school? Can a boy be married and go to school? Why or why not ?*
2. *Ideally, how many years will your daughters go to school? How many years will your boys be in school?*
3. *What is the perfect time to get married? What is the best age to have your first child? Why is this the case?*
4. *Is it common for women to experience moments of love and intimacy with their husbands? Is this changing in young people?*
5. *How long after the marriage do a husband and a wife have their first child? Should the husband and wife first spend a few years together without a child? Why or why not?*
6. *Ideally, how many children would you like to have? How many children do you expect to have?*
7. *What do you think will make your girls happy as adults? What will make your boys happy as adults?*
8. *Is it possible that you have too many or too few children?*
9. *Is there a bad time to get pregnant? (Restart: while breastfeeding another child, shortly after miscarriage, shortly after marriage, during the dry season, or during a year of poor harvest)*
10. *Is it acceptable for a young woman to have sex before marriage? Why or why not?*
11. *Does Islam allow birth spacing?*
 - If so, why do you think Allah allows spacing of pregnancies?
 - If a woman uses family planning to space births, does she satisfy Allah? Why or why not ?

QUANTITATIVE

1. *Which of the following statements do you agree with most? [select an answer]*
 01. In Islam, everything is clear and there is no place for a diversity of opinions
 03. In Islam, it is the responsibility of each of us to follow our conscience
2. *Which of the following suggestions do you think are acceptable? [Read each statement, select all that apply]*

01. that girls go to school
02. that girls can go to school as long as they wish
03. girls and boys can choose their future husband
04. that girls wait until they are 18 to get married

3. We talked about family planning to a number of women. Here are some of their comments. With whom do you agree?

[read each statement and select if it agrees, disagree, or dk]

"Even your husband will hate you if you have one child a year"

"If a woman still has a child in the back, she should not get pregnant"

"It's a sin to use contraception"

"If your eldest daughter is pregnant, you should not be pregnant too"

"At the entrance of Paradise, you will be asked how you cared for your family."

"If your husband forbids you to use contraception, you can do it without him knowing"

"Sexuality is better when you do not have to worry about getting pregnant"

"You are never too young to have your first child"

4. Do you think it's acceptable for a couple of ...? [read the sentences and select in the first column if she agrees] And your husband, what does he think? [read the sentences and select in the second column if she thinks she agrees] And other women in the community? [third column] And the imams of your community? [fourth column]

01. decide how many children they wish to have

02. try to space the births of their children

03. try to limit the number of children they will have

04. use contraceptive methods such as condoms, pill, morning after pill and / or injections?
